# Into Christ Consciousness an Easter Gathering

Deepening our humanity – opening to Love

7 – 10 April 2012, Findhorn, northern Scotland

*Co-creating our emerging future in changing, challenging times*

See our website to support exploration and group work: [www.intocc.net](http://www.intocc.net)

We live in extraordinary times, calling us to take a further step in consciousness as we co-create our emerging future. It is time to transform how we think, act and relate in the world.

The Into Christ Consciousness Gathering draws together different streams of experience to rebuild our relationship with the wholeness of Life and to generate positive, compassionate and creative change.

The four-day gathering is shaped around the dynamic of the Easter mystery, and brings together contributors from various backgrounds. All are contributors, and your input is valued. There will also be:

- [William Bloom](#), author, educator and spiritual activist
- [Fionntulach](#), Head of the Céile Dé order of Celtic spirituality
- [Jeddah Mali](#), spiritual teacher dedicated to enabling others to operate in a unified field
- [William Meader](#), author and spiritual teacher whose passion is to help humanity express the soul more effectively in the outer world
- [Philip Roderick](#), Christian priest, musician and founder of *The Quiet Garden movement* and *Contemplative Fire*
- [Barbara Swetina](#), travelling artist and troubadour

Includes workshops from [Fay Barratt](#), exploring how the wisdom of Mary Magdalene moves and speaks through us, and from [Julia MacDonald](#), Master practitioner offering NLP in service to Spirit

**Income related price:** £395 / £495 / £595 includes 4 nights' accommodation and all meals

**Early-Bird discount of £50 on all bookings paid by 31<sup>st</sup> October**

The Into Christ Consciousness gathering is one of a series of special events celebrating Findhorn's 50<sup>th</sup> birthday year. There will also be an autumn conference: **Love, Magic and Miracles**.
